MEMORANDUM FOR: Director of Special Activities

SUBJECT: Military Support of Reconnaissance Operations

25X1A

1. I have reviewed the attached memorandum which was delivered by [] on 20 January and find nothing objectionable except for paragraph 4. The terminology used in paragraph 4 now gives the Deputy Director for Reconnaissance, J-3, OJCS, the authority to contact the mission director in event of conflict. It then becomes a little unclear what office takes the necessary steps to resolve the conflict. In the past our operations enjoyed a high priority and conflicts were automatically resolved in our favor.

2. I am confident that the intent of [] and [] is to continue as we have in the past. However, you may wish to question the terminology used in paragraph 4.
